How we use your information

We will use the information you give in this application to help us assess your request for funding.

We will also use the information to administer any grant we award you.

We may also use your information to review our grant-making and for our own records. We may give copies of this information to individuals and organisations we consult when assessing applications. We may share information with other funders

1. About you

Name	
Address	
Email address	
Telephone number	

2. Driver Training

We need to know what category of licence you wish funding for. We want to be sure you are getting the maximum amount we can offer you. Check with your driving instructor you are eligible to receive the training and forward a copy of your driving licence with your application for funding. Remember to ask for a quote to support your application.

Category	
Driving lessons	
Pass plus	

Instructor details	
Start date for training	

Supporting statement Why would you benefit from undertaking driver training?
